"One of the best improvements to a stock bike I've tried."  
**Trail Bike Magazine**

"Quite simply, the BIGGEST confidence inspiring bolt-on I've ever added to one of my bikes."  
**T. Reaburn. WA**

"Greater braking power, easier shifting, and much less fatigue. This product is a huge leap in technology"  
**Troy Roper USA**

"I'll never go back to using static footpegs again!"  
**Mick Extance, UK**

"With PIVOT PEGZ I'm always positioned correctly for the jumps, whoops and braking bumps. The bike works perfectly under me."  
**Nicolás Rodriguez - Brazil**

"Easier shifts, boots always gripping the pegs, better brake feel — makes moving around on the bike more effortless."  
**Dirtbikeworld.net**

"A perfect 10"  
**ThumperTalk.com**
